

ISPO 2020

January 26-29, 2020, Munich, Germany

OE-A Seminar at ISPO Academy

“Flexible and Printed Electronics for Enabling Smart Sportswear”

Date Tuesday, January 28, 2020
Time 13:00 – 14:00
Venue ISPO Academy, Eingang West, EW. 100

- 13:00 – 13:10** **Introduction to Flexible and Printed Electronics**
Jan Krausmann, Project Manager Roadmap & Working Groups, OE-A
- 13:10 – 13:25** **Screen-Printed Sensors for Sweat Analysis During Exercise**
Alicia Zörner, PhD student, Fraunhofer IISB
- 13:25 – 13:40** **Pre-Hab & Re-Hab with smart printed electronics**
Tobias Meyer, System Engineer eHealth & Wearables, IEE
- 13:40 – 13:55** **Nanotechnology and Smart Materials Enabled Textile Applications**
Kevin Rodrigues, Researcher Smart Materials, Centre of Nanotechnology and Smart Materials
- 13:55 – 14:00** **LOPEC 2020 – Printed and Flexible Electronics in Munich**
Wolfgang Mildner, Owner of MSWtech and General Chair LOPEC
